Future Farmers of America

FFA WEEK Feb 17-24

Members of the Appomattox Senior Future Farmers of America Chapter join with over 432,000 other FFA members in the United States in celebrating National FFA Week, February 17-24, 1973.

Throughout the week the local chapter is planning activities to support the theme, **"FFA - Unites Youth With Opportunities"**. Some of these activities include distributing litter bags, bumper strips, and place mats, construction of two roadside billboards and displaying several posters in businesses of our community.

National FFA Week always includes George Washington's birthday in observance of his leadership in promoting scientific farming practices. Washington is considered the "patron saint" of the FFA and has come to symbolize the FFA treasurer.

Organized in 1928, the FFA promotes leadership, co-operation and citizenship among high school agricultural education students.

In celebrating FFA Week, the members of the Appomattox Senior Chapter of the Future Farmers of America would like to express their appreciation for the help the community gives in making their chapter a "Gold Emblem Chapter".

THESE TWO BILLBOARDS REPRESENT ONLY a portion of the massive celebration of National FFA Week. These two road-side signs are located on Route 460 midway between Pamplin and Evergreen and on Route 24 East as you leave town.

The space for these signs was donated by Virginia Outdoor, Inc. of Lynchburg and the Appomattox FFA Chapter appreciates their contribution of labor and time in helping celebrate National FFA Week.

THIS PAST SUMMER the FFA Chapter was recognized for some outstanding qualities at the State Convention in Blacksburg. They received five awards as follows: (left to right) Southside Area Chapter Contest, award being held by Bobby Mobley; Southside Area Wildlife Contest, award being held by James St. John; State Safety Award Program Plaque, held by Doug Webb; and the State Award In Building Our American Communities, being held by Gary Thomas.

WINS FIRST PLACE IN PARADE

The FFA Chapter joined with other clubs and community businesses in helping support the ACHS Homecoming Parade. Their float placed 1st in the judging competition. Shown on the float are Kenneth O'Brien, Larry Ferguson, Mike Buckner, and Don Thornhill. The FFA gets involved with its community.

THE FFA TROMBONE IS its committees. Here we see our Chapter's Scholarship Committee hard at work under the direction of its chairman, Stephen Lamb.

IN NOVEMBER, THE FFA CHAPTER centered around a seasonal theme of "Harvest Moon" for their annual FFA Sweetheart Dance. The three attendants and the queen are shown here with their escorts. They are Cindy Gulli, Doug Webb; Martha Harvey, Jesse Morgan; Kay Stratton, Russell Tomlin; and Grace Ranson, Rector Foster. The FFA provides recreation as well as study.

THE FFA FEELS THAT AWARD PROGRAMS are important since awards are won by reaching goals, an essential part of life. Here we have Sandy Hamlett, Star Greenhand; Paul Craven, State president; Mr. Robert McClinney, Honorary Member; Phillip Lucado, Star Chapter Farmer; and Mr. Buster Lucado, Honoary Member.

Transco Consid New Plans

Transcontinental Gas Line Corporation announced today that it is considering plan to rearrange the corporate structure of the company and its subsidiaries. Under the plan, Transco and each of its present subsidiaries would become subsidiaries of a newly formed holding company.

The plan would be designed to permit greater scope and flexibility in financing the heavy capital expenditures scheduled for the company's expanding activities in the producing areas of gas exploration, conversion of naphtha to crude oil into pipeline quality gas, and importation of liquefied natural gas.

If Transco decides to proceed with the plan, stockholders will be asked to give their approval at a special meeting in the summer of 19
